ANNEXURE - 1			
Tender No: BNPM/NCB/550/2023-24 dated 08.02.2024			
S No	Tender Clause	Bidders Query	Clarifications to tender terms & conditions
1	<b><u>Section IX - Qualification / Eligibility Criteria:</u></b>	<p>We request you to kindly incorporate Class A ISP license and NLD license issued by DOT as a pre-qualification criteria. These licenses are issued by Department of Telecommunication (DOT). All the National level Major Service providers have these licenses. Adding this clause in RFP will help to get the participation from National Level Service providers and best price discovery.</p> <p>Justification: ISPs with Class A &amp; NLD licenses have undergone stringent regulatory requirements to obtain their license, which often includes demonstrating infrastructure reliability and financial stability. Class A &amp; NLD licensed ISPs are typically held to higher standards of compliance and security, ensuring that customer data and privacy are protected. Established ISPs often provide superior technical support, with dedicated teams available to troubleshoot issues and resolve them promptly.</p>	As per tender
