8. **Scope of work:**

(i) Disposal of Boiler Ash includes arranging vehicle, Tools & tackles /materials required & labour for collection from the site, loading, and transportation at your own cost. The safety of the labour will be the responsibility of the contractor. The work shall be carried out under the direction and supervision of the Bank Note Paper Mill/Seller or their representative at site.

(ii) On the day of taking delivery, you shall intimate BNPM about vehicle details so that BNPM may depute his officials for weighment. Tare weight/weight of empty vehicle to be weighed first. After loading the boiler ash into the vehicle, weighment of the loaded vehicle has to be done. All weighment shall be done in presence of BNPM's representative. The net quantity shall be calculated by deducting the tare/ empty vehicle weight from the weight of fully loaded vehicle and accordingly charged for.

(iii) The operation is to be completed within the specified office hours i.e. between 1000 hrs and 1600 hrs. No work shall be permitted on Sundays or on closed holidays.

9. **Evaluation Criteria:**

9.1 At first stage, techno-commercial bid will be opened and evaluated by the competent committee / authority with reference to the parameters prescribed in the tender document. Subsequently in the second stage the financial bids of only techno

commercially acceptable offer as decided in first stage shall be opened for further scrutiny and evaluation

9.2 The method of evaluation of price bid to determine L1 bidder for awarding the work order shall be on quoted effective price (i.e without GST) basis only.

9.3 However, the acceptance of the tender will rest with BNPM, who does not bind himself to accept the highest tender and reserves to himself the authority to reject any or all of the tenders received without assigning any reason thereof.

9.4 BNPM also reserves the right to allot the order partly or wholly to single or different Tenderer. BNPM reserves the right to reject any offer including the highest one if the same is not conforming to its norms. The decision of BNPM in this regard will be final.

10. Discrepancy in Prices:

10.1 If, in the price structure quoted by a bidder, there is discrepancy between the unit price and the total price (which is obtained by multiplying the unit price by the quantity), the unit price shall prevail and the total price will be corrected accordingly, unless BNPM feels that the bidder has made a mistake in placing the decimal point in the unit price, in which case the total price as quoted shall prevail over the unit price and the unit price corrected accordingly.

10.2 If, there is an error in a total price, which has been worked out through addition and/ or subtraction of subtotals, the subtotals shall prevail and the total corrected; and

10.3 If, there is a discrepancy between the amount expressed in words and figures, the amount in words shall prevail.

10.4 If, as per the judgment of BNPM, there is any such arithmetical discrepancy in a tender, the same will be suitably conveyed to the bidder by registered/speed post/email. If the bidder does not agree to the observation of BNPM, the tender is liable to be ignored.

11. Performance security/Security Deposit (SD):

12. Within ten (10) days after the issue of notification of award (i.e work order) by BNPM, the successful bidder shall furnish performance security to BNPM for an amount equal to ten (10) per cent (%) of the total value of the contract which shall remain valid upto 60 days beyond the contract period of one year.

Performance security may be furnished in the form of:
