SECTION II – GENERAL INSTRUCTIONS TO TENDERERS

Section II: General Instructions to Tenderers (GIT)

PART 1: GENERAL INSTRUCTIONS APPLICABLE TO ALL TYPES OF TENDERS

A. PREAMBLE

1. Introduction

- 1.1. Definitions and abbreviations which have been used in these documents shall have the meanings as indicated in GCC.
- 1.2. For convenience, whole of this Standard Bidding Document (including all sections) is written with reference to Procurement of Goods Tenders. However this SBD would be utilized for all types of Tenders e.g. EOI, PQB, Rate Contract, Tenders involving Samples, Sale/Disposal of Scrap Material and Development/ indigenization etc., Procurement of Services etc. Therefore the construction of all clauses are to be interpreted in the context of particular type of tender beyond the letter of the clause, read with the additional clauses for the specific type of tenders in Part II GIT/GCC. Sections, which are not applicable have been marked as Not Applicable
- 1.3. These tender documents have been issued for the requirements mentioned in Section- VI - "List of Requirements", which also indicates, inter-alia, the required delivery schedule and terms & place (i.e. destination) of delivery.
- 1.4. This section (Section II - General Instruction to Tenderers" - GIT) provides the relevant information as well as instructions to assist the prospective tenderers in preparation and submission of tenders. It also includes the mode and procedure to be adopted for receipt and opening as well as scrutiny and evaluation of tenders and subsequent placement of contract. With this limited objective, GIT is not intended to be complete by itself and the rest of this document- SIT, GCC and SCC in particular may also be thoroughly studied before filling up the Tender Document. There would be certain topics covered in GIT/SIT as well as in GCC/ SCC from different perspectives. In case of any conflict between these, provisions of GCC/ SCC would prevail.
- 1.5. The tenderers shall also read the Special Instructions to Tenderers (SIT) related to this purchase, as contained in Section III of these documents and follow the same accordingly. Whenever there is a conflict between the GIT and the SIT, the provisions contained in the SIT shall prevail over those in the GIT.

2. Language of Tender

The tender submitted by the tenderer and all subsequent correspondence and documents relating to the tender exchanged between the tenderer and BNPM, shall be written in the English language, unless otherwise specified in the Tender. However, the language of any printed literature furnished by the tenderer in connection with its tender may be written in any other language provided the same is accompanied by English translation. For purposes of interpretation of the tender, the English translation shall prevail.

3. Eligible Tenderers

This invitation for tenders is open to all suppliers who fulfil the eligibility criteria specified in these documents. Please refer to Section IX: Qualification/ Eligibility Criteria

4. Eligible Goods and Services

All goods and related services to be supplied under the contract shall have their origin in India or other countries, subject to any restriction imposed in this regard in Section III (SIT). The term "origin" used in this clause means the place where the goods are mined, grown, produced, or manufactured or from where the related services are

arranged and supplied.

5. Tendering Expense

The tenderer shall bear all costs and expenditure incurred and/ or to be incurred by it in connection with its tender including preparation, mailing and submission of its tender and for subsequent processing the same. BNPM will, in no case be responsible or liable for any such cost, expenditure etc. regardless of the conduct or outcome of the tendering process.

B. TENDER DOCUMENTS

6. Content of Tender Documents

 - Earnest money furnished in accordance with GIT clause 18.1.
 - Commercial questionnaire for indigenous & imported items in Volume I.
 - Manufacturer's Authorization Form (ref Section XIV, if applicable)
- NB: The tenderers may also enclose in their tenders, technical literature and other documents as and if considered necessary by them.
- 10.2. A tender, that does not fulfil any of the above requirements and/ or gives evasive information/ reply against any such requirement, shall be liable to be ignored and rejected.
- 10.3. Tender sent by fax/email/ telex/ cable shall be ignored.
- 11. Tender currencies**
- 11.1. Unless otherwise specified, the tenderer shall quote only in Indian rupees.
- 11.2. Where the tender condition specifies acceptance of quotations in different currencies, then, for domestic goods, prices shall be quoted in INR only and for imported goods, prices shall be quoted either in INR or in the currency stipulated in the SIT, mentioning, inter-alia, the exchange rate adopted for converting foreign currency into INR. As regards price(s) for allied services, if any, required with the goods, the same shall be quoted in Indian Rupees if such services are to be performed I undertaken in India.
- 11.3. Tenders, where prices are quoted in any other way shall be treated as unresponsive and rejected.
- 12. Tender Prices**
- 12.1. The Tenderer shall indicate on the Price Schedule provided under Volume I all the specified components of prices shown therein including the unit prices and total tender prices of the goods and services it proposes to supply against the requirement. All the columns shown in the price schedule should be filled up as required. If any column does not apply to a tenderer, same should be clarified accordingly by the tenderer. If there is more than one schedule in the List of Requirements, the tenderer has the option to submit its quotation for any one or more schedules and, also, to offer special discount for combined schedules. However, while quoting for a schedule, the tenderer shall quote for the complete requirement of goods and services as specified in that particular schedule.
- 12.2. The quoted prices for goods offered from within India and that for goods offered from abroad are to be indicated separately in the applicable Price Schedules attached under Volume I.
- 12.3. While filling up the columns of the price schedule, the following aspects should be noted for compliance:
- 12.4. For goods offered from within India, the prices in the corresponding price schedule shall be entered separately in the following manner:
- The price of the goods, quoted ex-factory, ex-showroom, ex-warehouse or off- the-shelf, as applicable including all taxes and duties like sales tax, VAT, custom duty, excise duty etc. already paid or payable on the components and raw material used in the manufacture or assembly of the goods quoted ex-factory etc. or on the previously imported goods of foreign origin quoted ex-showroom etc.
 - Any taxes/duties including excise duty, which will be payable on the goods in India if the contract is awarded.
 - Charges towards inland transportation, insurance and other local costs incidental to delivery of the goods to their final destination as specified in the List of Requirements and
 - The price of incidental services, as and if mentioned in List of Requirements.
- 12.5. For goods offered from abroad, the prices in the corresponding price schedule shall be entered separately in the following manner:
- The price of goods quoted FAS/FOB port of shipment, CIF port of entry in India or CIF specified place of destination in India as indicated the List of Requirements.
 - The amount of custom duty and import duty on the goods to be imported, wherever applicable.
 - The charges for inland transportation, insurance and other local costs incidental to delivery of the goods from the port of entry in India to their final destination, as specified in the List of Requirements and
 - The charges for incidental services, as and if mentioned in the List of Requirements.
- 12.6. Additional information and instruction on Duties and Taxes:
If the Tenderer desires to ask for excise duty, sales tax, custom duty etc. to be paid extra, the same must be specifically stated. In the absence of any such stipulation the price will be taken inclusive of such duties and taxes and no claim for the same will be entertained later.
- 12.7. Excise Duty:
- If reimbursement of excise duty intended as extra over the quoted prices, the supplier must specifically say so also indicating the rate, quantum and nature of the duty applicable. In the absence of any such stipulation it will be presumed that the prices quoted are firm and final and no claim on account of excise duty will be entertained after the opening of tenders.
 - If a Tenderer chooses to quote a price inclusive of excise duty and also desires to be reimbursed for variation, if any, in the excise duty during the time of supply, the tenderer must clearly mention

SECTION II – GENERAL INSTRUCTIONS TO TENDERERS

- also indicate the rate and quantum of excise duty included in its price. Failure to indicate all such details in clear terms may result in statutory variations being denied to the tenderer.
- c) Subject to sub clauses 12.8 (a) & (b) above, any change in excise duty upward/ Downward as a result of any statutory variation in excise duty taking place within original Delivery Period shall be allowed to the extent of actual quantum of excise duty paid by the supplier. In case of downward revision in excise duty, the actual quantum of reduction of excise duty shall be reimbursed to BNPM by the supplier. All such adjustments shall include all reliefs, exemptions, rebates, concession etc. if any obtained by the supplier.
- 12.9. Sales Tax/ VAT/ CST/ GST/ Service Tax, work Contract Tax
If a tenderer asks for sales tax/ VAT/ CST/ GST/ Service Tax/ Work Contract Tax to be paid extra, the rate and nature of such taxes applicable should be shown separately. Such taxes will be paid as per the rate at which it is liable to be assessed or has actually been assessed provided the transaction of sale is legally liable to such taxes and is payable as per the terms of the contract. The tenderer shall examine the nature of transactions and applicability of taxes and duties.
- 12.10. Wherever Value Added Tax is applicable, the following may be noted:
- The tenderer should quote the exact percentage of VAT that they will be charging extra.
 - While quoting the rates, tenderer should pass on (by way of reduction in prices) the set off/input tax credit that would become available to them by switching over to the system of VAT from the existing system of sales tax, duly stating the quantum of such credit per unit of the item quoted for.
 - The tenderer while quoting for tenders should give the following declaration:

"We agree to pass on such additional set off/input tax credit as may become available in future in respect of all the inputs used in the manufacture of the final product on the date of supply under the VAT scheme by way of reduction in price and advise the purchaser accordingly."
 - The supplier while claiming the payment shall furnish the following certificate to the paying authorities: "We hereby declare that additional set offs/input tax credit to the tune of Rs.....has accrued and accordingly the same is being passed on to the purchaser and to that effect the payable amount may be adjusted.
- 12.11. Octroi and Local Taxes:
Unless otherwise stated in the SIT, the goods supplied against contracts placed by BNPM are not exempted from levy of Town Duty, Octroi Duty, Terminal Tax and other Levies of local bodies. In such cases, the supplier should make the payment to avoid delay in supplies and forward the receipt of the same to the purchasing department for reimbursement and also, for further necessary action. In cases where exemption is available, suppliers should obtain the exemption certificate from the purchasing department to avoid payment of such levies and taxes.
- 12.12. Duties/ Taxes on Raw Materials
BNPM is not liable for any claim from the supplier on account of fresh imposition and/or increase (including statutory increase) of excise duty, custom duty, sales tax etc. on raw materials and/or components used directly in the manufacture of the contracted goods taking place during the pendency of the contract, unless such liability is specifically agreed to in terms of the contract.
- 12.13. Imported Stores not liable to Above-mentioned Taxes and Duties:
Above mentioned Taxes and Duties are not leviable on imported Goods and hence would not be reimbursed.
- 12.14. Customs Duty:
In respect of imported stores offered from abroad, the tenderer shall specify the rate as well as the total amount of customs duty payable. The tenderer shall also indicate the corresponding Indian Customs Tariff Number applicable for the goods in question.
- 12.14.1. For transportation of imported goods offered from abroad, relevant instructions as incorporated under GCC Clause 11 shall be followed.
- 12.14.2. For insurance of goods to be supplied, relevant instructions as provided under GCC Clause 12 shall be followed.
- 12.14.3. Unless otherwise specifically indicated in this tender document, the terms FOB, FAS, CIF etc. for imported goods offered from abroad, shall be governed by the rules & regulations prescribed in the current edition of INCOTERMS, published by the International Chamber of Commerce, Paris
- 12.14.4. The need for indication of all such price components by the tenderers, as required in this clause (viz., GIT clause 12) is for the purpose of comparison of the tenders by BNPM and will no way restrict BNPM's right to award the contract on the selected tenderer on any of the terms offered.
- 13. Indian Agent**
If a foreign tenderer has engaged an agent in India in connection with its tender, the foreign tenderer, in addition to indicating Indian agent's commission, if any, in a manner described under GIT sub clause 11.2 above, shall also furnish the following information:
- The complete name and address of the Indian Agent and its permanent income tax account number as allotted by the Indian Income Tax authority.
 - The details of the services to be rendered by the agent for the subject requirement.
One manufacturer can authorize only one agent/Dealer. Also one agent cannot represent more than one supplier or quote on their behalf in a particular tender enquiry. Such quote is likely to be rejected. There can be only one bid from
 - The principal manufacturer directly or one Indian agent on his behalf.
 - The foreign principal or any of its branch/ division
 - Indian/ Foreign Agent on behalf of only one Principal.
- 14. Firm Price/Variable Price**
- 14.1. Unless otherwise specified in the SIT, prices quoted by the tenderer shall remain firm and fixed during the currency of the contract and not subject to variation on any account.
- 14.2. In case the tender documents require offers on variable price basis, the price quoted by the tenderers will be subject to adjustment during original Delivery Period to take care of the changes in the cost of labour and material components in accordance with the price variation formula to be specified in the SIT. If a tenderer submits firm price quotation against the requirement of variable price quotation that tender will be prima-facie acceptable and considered further, taking price variation asked for by the tenderer as zero.
- 14.3. However, as regards taxes and duties, if any, chargeable on the goods and payable, the conditions stipulated in GIT clause 12 will apply for both firm price tender and variable price tender.
- 14.4. Subject to provisions of Clause 11 above, where prices are quoted in foreign currencies, involving imports - Foreign Exchange Rate Variation (ERV) would be borne by the Purchaser within the original Delivery Period. The offer of the Tenderer should indicate import content and the currency used for calculating import content.
- 14.5. Base Exchange rate of each major currency used for calculating FE content of the contract should be indicated. The base date of ERV would be contract date and variation on the base date can be given up to the midpoint manufacture, unless firm has already indicated the time schedule within which material will be imported by the firm.
- 14.6. In case delivery period is refixed/ extended, ERV will not be admissible, if this is due to default of the supplier.
- 14.7. Documents for claiming ERV:
- A bill of ERV claim enclosing working sheet
 - Banker's Certificate/debit advice detailing F.E. paid and exchange rate

SECTION II – GENERAL INSTRUCTIONS TO TENDERERS

- c) Copies of import order placed on supplier
d) Invoice of supplier for the relevant import order
- 15. Alternative Tenders**
Unless otherwise specified in the Schedule of Requirements, alternative tenders shall not be considered.
- 16. Documents Establishing Tenderer's Eligibility and Qualifications**
- 16.1. Pursuant to GIT clause 10, the tenderer shall furnish, as part of its tender, relevant details and documents establishing its eligibility to quote and its qualifications to perform the contract if its tender is accepted.
- 16.2. The documentary evidence needed to establish the tenderer's qualifications shall fulfil the following requirements:
- a) In case the tenderer offers to supply goods, which are manufactured by some other firm, the tenderer has been duly authorized by the goods manufacturer to quote for and supply the goods to BNPM. The tenderer shall submit the manufacturer's authorization letter to this effect as per the standard form provided under Volume I in this document.
- b) The tenderer has the required financial, technical and production capability necessary to perform the contract and, further it meets the qualification criteria incorporated in the Volume I in these documents.
- c) In case the tenderer is not doing business in India, It is/will be duly represented by an agent stationed in India fully equipped and able to carry out the required contractual functions and duties of the supplier including after sale service, maintenance & repair etc. of the goods in question, stocking of spare parts and fast moving components and other obligations, if any, specified in the conditions of contract and/ or technical specifications.
- d) In case the tenderer is an Indian agent quoting on behalf of a foreign manufacturer, the Indian agent is already enlisted under the Compulsory Enlistment Scheme of Ministry of Finance. Govt. of India operated through Directorate General of Supplies & Disposals (DGS&D), New Delhi.
- 17. Documents establishing good's Conformity to Tender document**
- 17.1. The tenderer shall provide in its tender the required as well as the relevant documents like technical data. Literature, drawings etc. to establish that the goods and services offered in the tender fully conform to the goods and services specified by BNPM in the tender documents. For this purpose the tenderer shall also provide a clause-by-clause commentary on the technical specifications and other technical details incorporated by BNPM in the tender documents to establish technical responsiveness of the goods and services offered in its tender.
- 17.2. In case there is any variation and/ or deviation between the goods & services prescribed by BNPM and that offered by the tenderer, the tenderer shall list out the same in "Schedule of deviations from Technical specifications" in Volume I of the tender without ambiguity along with justification.
- 17.3. If a tenderer furnishes wrong and/ or misleading data, statement(s) etc. about technical acceptability of the goods and services offered by it, its tender will be liable to be ignored and rejected in addition to other remedies available to BNPM in this regard.
- 18. Earnest Money Deposit (EMD)**
- 18.1. Pursuant to GIT clause 10.1(d) the tenderer shall furnish along with its tender, earnest money for amount as shown in the List of Requirements/NIT Clause I. The earnest money is required to protect BNPM against the risk of the tenderer's unwarranted conduct as amplified under sub-clause 23.23.2 below.
- 18.2. The earnest money shall be denominated in Indian Rupees.
- 18.3. The earnest money shall be furnished in one of the following forms:
- a) Account Payee Demand Draft or
- b) Banker's cheque or
- c) Bank Guarantee, (only if EMD amount is above Rs. 1 Lakh)
- 18.4. The demand draft or banker's cheque shall be drawn on any scheduled commercial bank in India, in favour of Bank Note paper Mill India Private Limited payable at Bangalore. In case of bank guarantee, the same is to be provided from/confirmed by any scheduled commercial bank in India as per the format specified in Volume I in these documents.
- 18.5. The earnest money shall be valid for a period of forty five days beyond the validity period of the tender.
- 18.6. Unsuccessful tenderers' earnest money will be returned to them without any interest, after expiry of the tender validity period, but not later than thirty days after conclusion of the resultant contract. Successful tenderer's earnest money will be returned without any interest, after receipt of performance security from that tenderer.
- 18.7. Earnest money of a tenderer will be forfeited, if the tenderer withdraws or amends its tender or impairs or derogates from the tender in any respect within the period of validity of its tender. The successful tenderer's earnest money will be forfeited if it fails to furnish the required performance security within the specified period.
- 19. Tender Validity**
- 19.1. If not mentioned otherwise in the SIT, the tenders shall remain valid for acceptance for a period of 90 days (Ninety days) in case of single bid tender system and 120 days in case of two-bid system after the date of tender opening prescribed in the tender document. Any tender valid for a shorter period shall be treated as unresponsive and rejected.
- 19.2. In exceptional cases, the tenderers may be requested by BNPM to extend the validity of their tenders up to a specified period. Such request(s) and responses thereto shall be conveyed by surface mail or by fax/email/ telex/cable followed by surface mail. The tenderers, who agree to extend the tender validity, are to extend the same without any change or modification of their original tender and they are also to extend the validity period of the EMD accordingly.
- 19.3. In case the day up to which the tenders are to remain valid falls on/subsequently declared a holiday or closed day for BNPM, the tender validity shall automatically be extended up to the next working day.
- 19.4. Compliance with the Clauses of this Tender Document: Tenderer must comply with all the clauses of this Tender Document. In case there are any deviations, these should be listed in a chart form without any ambiguity along with justification.
- 20. Signing and Sealing of Tender**
- 20.1. An authenticated copy of the document which authorizes the signatory to commit on behalf of the firm shall accompany the offer. The individual signing the tender or any other documents connected therewith should clearly indicate his full name and designation and also specify whether he is signing,
- a) As Sole Proprietor of the concern or as attorney of the Sole Proprietor;
- b) As Partner (s) of the firm;
- c) As Director, Manager or Secretary in case of Limited Company duly authorized by a resolution passed by the Board of Directors or in pursuance of the Authority conferred by Memorandum of Association.
- 20.2. The authorized signatory of the tenderer must sign the tender at appropriate places and initial the remaining pages of the tender.
- 20.3. The tenderers shall submit their tenders as per the instructions contained in GIT Clause 10.
- 20.4. Unless otherwise mentioned in the SIT, a tenderer shall submit two copies of its tender marking them as "Original and "Duplicate".
- 20.5. The original and other copies of the tender shall either be typed or written in indelible ink and the same shall be signed by the tenderer or by a person(s) who has been duly authorized to bind the tenderer to the contract. The letter of authorization shall be by a written power of attorney, which shall also be furnished along with the tender.
- 20.6. All the copies of the tender shall be duly signed at the

SECTION II – GENERAL INSTRUCTIONS TO TENDERERS

- appropriate places as indicated in the tender documents and all other pages of the tender including printed literature, if any shall be initialled by the same person(s) signing the tender. The tender shall not contain any erasure or overwriting, except as necessary to correct any error made by the tenderer and, if there is any such correction; the same shall be initialled by the person(s) signing the tender.
- 20.7. The tenderer is to seal the original and each copy of the tender in separate envelopes, duly marking the same as "Original", "Duplicate" and so on and writing the address of BNPM and the tender reference number on the envelopes. The sentence "NOT TO BE OPENED before" (The tenderer is to put the date & time of tender opening) are to be written on these envelopes. The inner envelopes are then to be put in a bigger outer envelope, which will also be duly sealed, marked etc. as above. If the outer envelope is not sealed and marked properly as above, BNPM will not assume any responsibility for its misplacement, premature opening, late opening etc.
- 20.8. For purchasing capital equipment, high value plant, machinery etc. of complex and technical nature, tender document will seek quotation in two parts (Two Bid System)- first part containing the relevant technical details of the equipment/machinery etc., and in the second part, price quotation along with other allied issues. First part will be known as 'Technical Bid', and the second part 'Financial bid'. Tenderer shall seal separately 'Technical Bid' and 'Financial bid' and covers will be suitably super scribed. Both these sealed covers shall be put in a bigger cover and sealed and evaluation would be done as described in clause 25.24.4 below. Further details would be given in SIT, if considered necessary.
- 20.9. If permitted in the SIT, the tenderer may submit its tender through a-tendering procedure.
- D. Submission of Tenders**
- 21. Submission of Tenders**
- 21.1. Unless otherwise specified, the tenderers are to deposit the tenders in the tender box kept for this purpose at a place as indicated in para 1 of NIT. In case of bulky tender, which cannot be put into tender box, the same shall be submitted by the tenderer by hand to the designated officers of BNPM, as indicated in clause 1 of NIT. The officer receiving the tender will give the tenderer an official receipt duly signed with date and time.
- 21.2. The tenderers must ensure that they deposit their tenders not later than the closing time and date specified for submission of tenders. In the event of the specified date for submission of tender falls on/is subsequently declared a holiday or closed day for BNPM, the tenders will be received up to the appointed time on the next working day.
- 22. Late Tender**
- A tender, which is received after the specified date and time for receipt of tenders will be treated as "late" tender and will be ignored.
- 23. Alteration and Withdrawal of Tender**
- 23.1. The tenderer, after submitting its tender, is permitted to alter/modify its tender so long as such alterations/modifications are received duly signed, sealed and marked like the original tender, within the deadline for submission of tenders. Alterations/modifications to tenders received after the prescribed deadline will not be considered.
- 23.2. No tender should be withdrawn after the dead line for submission of tender and before expiry of the tender validity period. If a tenderer withdraws the tender during this period, it will result in forfeiture of the earnest money furnished by the tenderer in its tender besides other sanctions by BNPM.
- E. TENDER OPENING**
- 24. Opening of Tenders**
- 24.1. The tenders will be opened at the specified date and time and at the specified place as indicated in clause 1 of NIT. In case the specified date of tender opening falls on/is subsequently declared a holiday or closed day for BNPM, the tenders will be opened at the appointed time and place on the next working day.
- 24.2. Authorized representatives of the tenderers, who have submitted tenders on time may attend the tender opening, provided they bring with them letters of authority as per the format in Volume I of the corresponding tenderers. The tender opening official(s) will prepare a list of the representatives attending the tender opening. The list will contain the representatives' names & signatures and corresponding tenderers' names and addresses.
- 24.3. During the tender opening, the tender opening official(s) will read the salient features of the tenders like description of the goods offered, price, special discount if any, delivery period, whether earnest money furnished or not and any other special features of the tenders, as deemed fit by the tender opening official(s).
- 24.4. In-case of two bid system mentioned in clause 20.8 above, the technical bids are to be opened in the first instance, at the prescribed time and date. These bids shall be scrutinized and evaluated by the competent committee/ authority with reference to parameters prescribed in the tender document. Thereafter, in the second stage, the financial bids of only the technically acceptable offers (as decided in the first stage) shall be opened for further scrutiny and evaluation. Other financial bids would be returned unopened to the respective bidders under Registered AD/ Reliable Courier or any other mode with proof of delivery.
- F. SCRUTINY AND EVALUATION OF TENDERS**
- 25. Basic Principle**
- Tenders will be evaluated on the basis of the terms & conditions already incorporated in the tender document, based on which tenders have been received and the terms, conditions etc. mentioned by the tenderers in their tenders. No new condition will be brought in while scrutinizing and evaluating the tenders.
- 26. Preliminary Scrutiny of Tenders**
- 26.1. The tenders will first be scrutinized to determine whether they are complete and meet the essential and important requirements, conditions etc. as prescribed in the tender document. The tenders, that do not meet the basic requirements, are liable to be treated as unresponsive and ignored.
- 26.2. The following are some of the important aspects, for which a tender may be declared unresponsive and ignored;
- Tender is unsigned.
 - Tenderer is not eligible.
 - Tender validity is shorter than the required period.
 - Required EMD has not been provided.
 - Tenderer has quoted for goods manufactured by a different firm without the required authority letter from that manufacturer.
 - Tenderer has not agreed to give the required performance security.
 - Goods offered are not meeting the required specification etc.
 - Tenderer has not agreed to essential condition(s) specially incorporated in the tender enquiry.
 - Against a schedule in the List of Requirement (incorporated in the tender Enquiry), the Tenderer has not quoted for the entire requirement as specified in that schedule. (Example: In a schedule, it has been stipulated that the Tenderer will supply the equipment, install and commission it and also train BNPM's operators for operating the equipment. The Tenderer has however, quoted only for supply of the equipment).
- 27. Minor Infirmary/Irregularity/ Non-Conformity**
- If during the preliminary examination, BNPM find any minor infirmity and/ or irregularity and/ or non-conformity in a tender, BNPM may waive the same provide ' t

SECTION II – GENERAL INSTRUCTIONS TO TENDERERS

constitute any material deviation and financial impact and, also, does not prejudice or affect the ranking order of the tenderers. Wherever necessary, BNPM will convey its observation on such 'minor' issues to the tenderer by registered/ speed post etc. asking the tenderer to respond by a specified date. If the tenderer does not reply by the specified date or gives evasive reply without clarifying the point at issue in clear terms, that tender will be liable to be ignored.

28. Discrepancy in Prices

- 28.1. If, in the price structure quoted by a tenderer, there is discrepancy between the unit price and the total price (which is obtained by multiplying the unit price by the quantity), the unit price shall prevail and the total price corrected accordingly, unless BNPM feels that the tenderer has made a mistake in placing the decimal point in the unit price, in which case the total price as quoted shall prevail over the unit price and the unit price corrected accordingly.
- 28.2. If there is an error in a total price, which has been worked out through addition and/ or subtraction of subtotals, the subtotals shall prevail and the total corrected; and
- 28.3. If there is a discrepancy between the amount expressed in words and figures, the amount in words shall prevail, subject to sub clause 28.1 and 28.2 above.
- 28.4. If, as per the judgment of BNPM, there is any such arithmetical discrepancy in a tender, the same will be suitably conveyed to the tenderer by registered/speed post. If the tenderer does not agree to the observation of BNPM, the tender is liable to be ignored.

29. Discrepancy between original and copies of Tender

In case any discrepancy is observed between the text etc. of the original copy and that in the other copies of the same tender set, the text etc. of the original copy shall prevail. Here also, BNPM will convey its observation suitably to the tenderer by register/speed post and, if the tenderer does not accept BNPM's observation, that tender will be liable to be ignored.

30. Clarification of Bids

During evaluation and comparison of bids, purchaser may, at its discretion ask the bidder for clarification of its bid. The clarification should be received within 7 days from the bidder from date of receipt of such request. The request for clarification shall be in writing and no change in prices or substance of the bid shall be sought, offered or permitted. No post bid clarification at the initiative of the bidder shall be entertained.

31. Qualification/ Eligibility Criteria

Tenders of the tenderers, who do not meet the required qualification/ eligibility criteria prescribed in Section IX, will be treated as unresponsive and will not be considered further.

32. Conversion of tender currencies to Indian Rupees

In case the tender document permits the tenderers to quote their prices in different currencies, all such quoted prices of the responsive tenderers will be converted to a single currency viz., Indian Rupees for the purpose of equitable comparison and evaluation, as per the B.C. selling exchange rates established by the State Bank of India for similar transactions, as on the date of tender opening.

33. Schedule-wise Evaluation

In case the List of Requirements contains more than one schedule, the responsive tenders will be evaluated and compared separately for each schedule. The tender for a schedule will not be considered if the complete requirements prescribed in that schedule are not included in the tender. However, as already mentioned in GIT sub clause 12.2, tenderers have the option to quote for any one or more schedules and offer discounts for combined schedules. Such discounts, wherever applicable, will be taken into account to determine the tender or combination of tenders offering the

lowest evaluated cost for BNPM in deciding the successful tenderer for each schedule, subject to that tenderer(s) being responsive.

34. Comparison on CIF Destination Basis

Unless mentioned otherwise in Volume I - Special Instructions to Tenderers and List of Requirements, the comparison of the responsive tenders shall be on CIF destination basis, duly delivered, commissioned, etc. as the case may be.

35. Additional Factors and Parameters for Evaluation and Ranking of Responsive Tenders.

Further to GIT Clause 33 above, BNPM's evaluation of a tender will include and take into account the following:

- a) In the case of goods manufactured in India or goods of foreign origin already located in India, sales tax & other similar taxes and excise duty & other similar duties, which will be contractually payable (to the tenderer), on the goods if a contract is awarded on the tenderer; and
- b) In the case of goods of foreign origin offered from abroad, customs duty and other similar import duties/taxes, which will be contractually payable (to the tenderer) on the goods if the contract is awarded on the tenderer.

35.2. BNPM's evaluation of tender will also take into account the additional factors, if any, incorporated in SIT in the manner and to the extent indicated therein.

35.3. As per policies of the Government from time to time, the purchaser reserves its option to give price preference to Small Scale Industries in comparison to the large scale Industries. This price preference cannot however be taken for granted and every endeavour need to be made by such firms to bring down cost and achieve competitiveness.

35.4. If the tenders have been invited on variable price basis, the tenders will be evaluated, compared and ranked on the basis of the position as prevailing on the day of tender opening and not on the basis of any future date.

36. Tenderer's capability to perform the contract

36.1 BNPM, through the above process of tender scrutiny and tender evaluation will determine to its satisfaction whether the tenderer, whose tender has been determined as the lowest evaluated responsive tender is eligible, qualified and capable in all respects to perform the contract satisfactorily. If, there is more than one schedule in the List of Requirements, then, such determination will be made separately for each schedule.

36.2 The above mentioned determination will, inter-alia, take into account the tenderer's financial, technical and production capabilities for satisfying all the requirements of BNPM as incorporated in the tender document. Such determination will be based upon scrutiny and examination of all relevant data and details submitted by the tenderer in its tender as well as such other allied information as deemed appropriate by BNPM.

37. Cartel Formation (Pool Rates)

Cartel formation or quotation of Pool/ Co-ordinated rates, leading to "Appreciable Adverse Effect on Competition" (AAEC) as identified in Competition Act, 2002, as amended by Competition (Amendment) Act, 2007, would be considered as a serious misdemeanour and would be dealt accordingly as per Clause 44 below.

38. Negotiations

Normally there would be no price negotiations. But BNPM reserves its right to negotiate with the lowest acceptable bidder (L1), who is technically cleared /approved for supply of bulk quantity and on whom the contract would have been placed but for the decision to negotiate, under special circumstances in accordance with prevailing guidelines.

39. Contacting BNPM

39.1 From the time of submission of tender to the time of awarding the contract, if a tenderer needs to contact BNPM for any reason relating to this tender enquiry and/or its tender it should do so only in writing.

39.2 It will be treated as a serious misdemeanour in case a tenderer attempts to influence BNPM

SECTION II – GENERAL INSTRUCTIONS TO TENDERERS

scrutiny, comparison, evaluation and award of the contracts. In such a case the tender of the tenderer shall be liable for rejection in addition to appropriate administrative actions being taken against that tenderer, as deemed fit by BNPM, in terms of clause 44 of GIT.

G. Award Of Contract

40. BNPM reserves the right to accept any Tender and to reject any or all Tenders. BNPM also reserves the right to accept in part or in full any tender or reject any tender without assigning any reason or to cancel the tendering process and reject all tenders at any time prior to award of contract, without incurring any liability, whatsoever to the affected tenderer or tenderers.

41. Award Criteria

Subject to GIT clause 36 above, the contract will be awarded to the lowest evaluated responsive tenderer decided by BNPM in terms of GIT Clause 34.

42. Variation of Quantities at the Time of Award

No variation of quantities at the time of awarding the contract.

43. Parallel Contracts

BNPM reserves its right to conclude Parallel contracts with more than one bidder (for the same tender). If this is foreseen at the time of Tendering, a clause would be included in SIT giving further details.

44. Serious Misdemeanours

44.1 Following would be considered serious misdemeanours:

- a) Submission of misleading/ false/ fraudulent information/ documents by the bidder in their bid
- b) Submission of fraudulent / un-encashable Financial Instruments stipulated under Tender or Contract Condition.
- c) Violation of Code of Ethics laid down in Clause 32 of the GCC.
- d) Cartel formation or quotation of Pool/ Co-ordinated rates leading to "Appreciable Adverse Effect on Competition" (AAEC) as identified under the Competition Act, 2002.
- e) Deliberate attempts to pass off inferior goods or short quantities.
- f) Violation of Fall Clause by Rate Contract holding Firms.
- g) Attempts to influence BNPM's Decisions on scrutiny, comparison, evaluation and award of Tender.

44.2 Besides, suitable administrative actions, like rejecting the offers or delisting of registered firms, BNPM would ban/blacklist Tenderers committing such misdemeanour, including declaring them ineligible to be awarded BNPM contracts for indefinite or for a stated period.

45. Notification of Award

45.1 Before expiry of the tender validity period, BNPM will notify the successful tenderer(s) in writing, by registered/speed post or by fax/email / telex/ cable (to be confirmed by registered/speed post that its tender for goods & services, which have been selected by BNPM, has been accepted, also briefly indicating therein the essential details like description, specification and quantity of the goods & services and corresponding prices accepted. The successful tenderer must furnish to BNPM the required performance security within twenty one days from the date of this notification. Relevant details about the performance security have been provided under GCC Clause 6 under Section IV.

45.2 The notification of award shall constitute the conclusion of the contract.

46. Issue of Contract

46.1 Within seven working days of receipt of performance security, BNPM will send the contract form (as per Section XVI) duly completed and signed, in duplicate, to the

46.2 successful tenderer by registered / speed post. Within seven days from the date of issue of the contract, the successful tenderer will return the original copy of the contract, duly signed and dated, to BNPM by registered / speed post.

47. Non-receipt of Performance Security and Contract by BNPM

Failure of the successful tenderer in providing performance security within 21 days of receipt of notification of award and/ or returning contract copy duly signed in terms of GIT clauses 45 and 46 above shall make the tenderer liable for forfeiture of its EMD and, also for further sanctions by BNPM against it.

48. Return of EMD

Earnest money of the successful tenderer and the unsuccessful tenderers will be returned to them without any interest, whatsoever, in terms of GIT Clause 18.6.

49. Publication of Tender Result

The name and address of the successful tenderer(s) receiving the contract(s) will be mentioned in the web site of BNPM.

PART II: ADDITIONAL GENERAL INSTRUCTIONS APPLICABLE TO SPECIFIC TYPES OF TENDERS

50. Rate Contract Tenders- **NOT APPLICABLE**

50.1 In addition to GIT in Part I above, following GIT will be applicable to rate contract Tenders:

- a) Earnest Money Deposit (EMD) is not applicable.
- b) In the Schedule of Requirement, no commitment of quantity is mentioned: only the anticipated requirement is mentioned without any commitment.
- c) BNPM reserves the right to conclude more than one rate contract for the same item.
- d) Unless otherwise specified in SIT, the currency of a Rate Contract would normally be for one year.
- e) During the currency of the Rate Contract, BNPM may withdraw the rate contract by serving suitable notice. The prescribed notice period is generally thirty days.
- f) During the currency of the Rate Contract, BNPM would have the option to renegotiate the price with the rate contract holders.
- g) During the currency of the Rate Contract, in case of emergency, BNPM may purchase the same item through ad hoc contract with a new supplier.
- h) Usually, the terms of delivery in rate contracts are FOR dispatching station.
- i) Supply orders, incorporating definite quantity of goods to be supplied along with all other required conditions following the rate contract terms, will be issued by nominated Direct Demanding Officers (DDO) for obtaining supplies through the rate contract.
- j) BNPM is entitled to place supply orders up to the last day of the validity of the rate contract and, though supplies against such supply orders will be affected beyond the validity period of the rate contract, all such supply will be guided by the terms & conditions of the rate contract.
- k) The rate contract will be guided by "Fall Clause" as described below.

50.2 Fall Clause

If the rate contract holder reduces its price or sells or even offers to sell the rate contracted goods, following conditions of sale similar to those of the rate contract, at a price lower than the rate contract price, to any person or organization during the currency of the rate contract, the rate contract price will be automatically reduced with effect from that date for all the subsequent supplies under the rate contract and the rate contract amended accordingly. Any violation of the fall clause would be considered a serious misdemeanour under clause 44 of the GIT and action, as appropriate, would be taken as per provision of that clause.

50.3 Performance Security

Value of Performance Security would be stipulated in the SIT. Performance Security shall, however, not be demanded again in the individual supply orders issued subsequently against rate contracts.

SECTION II – GENERAL INSTRUCTIONS TO TENDERERS

- 50.4 Renewal of Rate Contracts
In case, it is not possible to conclude new rate contracts before the expiry of existing ones, due to some special reasons, the existing rate contracts would be extended with same terms, conditions etc. for a suitable period, with the consent of the rate contract holders. Rate contracts of the firms, who do not agree to such extension, will be left out. Period of such extension would generally not be more than three months.
51. **Prequalification Bidding : NOT APPLICABLE**
51.1 Prequalification bidding is for short-listing of qualified Bidders who fulfil the Prequalification criteria as laid down in SIT or in Volume I of SBD - "Qualification Criteria" for procurement of Goods or Services as listed in Section VI of SBD - "List of Requirements". Shortlisted Bidders would be informed of their qualification and short listing in accordance with the stipulations laid down in the SIT Unless otherwise stipulated in the SIT the PQB short listing would be valid only till the next procurement tender. Further conditions will be elaborated in the SIT.
- 51.2 If stipulated in the SIT, only these shortlisted qualified bidders would be invited to participate in the Procurement process. Otherwise SIT may also indicate that instead of floating a separate PQB tender, it may be combined with the Procurement Tender, as a three bid tender. Initially the first Packet containing PQB would be opened and evaluation would be done. Thereafter the rest of tender would be handled as a two bid system for only those bidders who succeed in PQB.
52. **Tenders involving Samples- NOT APPLICABLE**
52.1 Normally no sample would be called along with the offer for evaluation.
- 52.2 Purchaser's Samples:
If indicated in the SIT, A Purchaser's sample may be displayed to indicate required characteristics over and above the Specifications for perusal of the bidders Name and Designation of the Custodian, Place, Dates and Time of inspection of Purchaser's sample will be indicated in the SIT. The supplies in the contract will have to meet the indicated required characteristics for which the Purchaser's sample was displayed, besides meeting the specification listed in "Technical Specifications" of the Tender. He would be issued a sealed Purchaser's sample for the purpose at the time of award of the contract.
- 52.3 Pre-Production Samples:
If stipulated in SIT, successful contractor would be required to submit a Pre-Production sample(s) to the Inspecting Officer/ or the nominated authority mentioned in the contract within the time specified therein. If the Contractor is unable to do so, he must apply immediately to the Office requesting the acceptance of tender for extension of time stating the reasons for the delay. If the Purchaser is satisfied that a reasonable ground for an extension of time exists, he may allow such additional time as he considers to be justified (and his decision shall be final) with or without alteration in the delivery period stipulated in the contract and on such conditions as he deems fit. In the event of the failure of the Contractor to deliver the pre-production sample by the date specified in the acceptance of tender or any other date to which the time may be extended as aforesaid by the Purchaser or of the rejection of the sample, the Purchaser shall be entitled to cancel the contract and, if so desired, purchase or authorize the purchase of the stores at the risk and cost of the Contractor (unless specified otherwise in the SIT). In such an event, in case of Security Items where urgency develops due to such delays, BNPM reserves its right to procure not more than one year's requirement against this "Risk & Cost" tender from existing pre-qualified and security cleared firms. Bulk production and supply will only be allowed if this sample(s) pass the Tests laid down in the "Quality Control Requirements" of Volume I.
- 52.4 Testing of Samples
Tests, procedures and testing laboratories for testing samples would be detailed in the Section VIII- "Quality Control Requirements" in the SBD.
- 52.5 Validation/ Prolonged Trials
If specified in SIT or in the Section VIII- "Quality Control Requirements" in the SBD, pre-production samples may have to undergo validation or extended trial before their performance can be declared satisfactory.
- 52.6 Parameters Settings and duration of Validation Tests would be indicated in Volume I - "Quality Control Requirements". It would also stipulate the period or event marking end of validation trials. It would also be indicated therein whether the Permission to start bulk production will have to wait full validation or it can go on in parallel.
53. **Expression of Interest (EOI) Tenders: NOT APPLICABLE**
53.1 EOI tenders are floated for short listing firms who are willing and qualified for: -
a) Registration of Vendors for Supply of particular Stores or certain categories of Stores.
b) Development of new items or indigenization of Imported stores
- 53.2 The qualification /eligibility criteria required and the format of submission of such Data would be indicated in the "Qualification Criteria" of Volume I.
- 53.3 Objectives and scope of requirement would be indicated in the Section VI - "List of Requirements" in the SBD. Indicative quantity required yearly and its future requirements would also be indicated.
- 53.4 In case of EOI for Development of new Items or for indigenization, prospective firms would be given opportunity to inspect the Machine/ Item at the place of installation at the place, dates and time mentioned in SIT.
- 53.5 In case EOI is for registration of vendors, Registration Fees and validity period of registration would be detailed in the SIT.
- 53.6 Short List of Suppliers: The suppliers shall be evaluated for short listing, inter-alia, based on their past experience of supplying goods in similar context, financial strength, technical capabilities etc. Each supplier will be assigned scores based on weightages assigned to each of the criteria mentioned in the "Qualification Criteria" in Volume I.
- 53.7 If stipulated in the SIT, the Firm's capacity and Capability may be assessed by a nominated Committee or by a third party nominated by BNPM.
- 53.8 All suppliers who secure the minimum required marks (normally 50% unless otherwise specified in the "Qualification Criteria" in Volume I) would be short listed. "Qualification Criteria" may alternatively specify minimum qualifying requirement for each of the criteria i.e. minimum years of experience, minimum number of assignments executed, minimum turnover etc. Under such circumstances, all suppliers who meet the minimum requirement, as specified, will be short listed.
- 53.9 In case of EOI for registration of vendors, registration letters would be issued to the shortlisted tenderers.
- 53.10 In case of EOI for development/ indigenization, these shortlisted tenderers would only be allowed to participate in the subsequent development/ indigenization tenders.

SECTION III – SPECIAL INSTRUCTIONS TO TENDERERS

16. The bidder shall consider the following points while quoting GST Rate in their bid:

- a) In case of unregistered bidders, the rate and amount of GST shall be shown as “Nil”.
- b) In case of a compounding dealer, GST shall be quoted as “Nil” as compounded dealers cannot collect GST from the consumers. The price quoted therefore shall be construed as all inclusive.
- c) In case of work contracts or pure labour contracts, the bidder shall quote single GST rate for the work.
- d) In case of composite supplies, i.e., a supply consisting of one principal supply and other ancillary supplies, the supply will attract the GST Rate of the principal supply. For example, if Item A in the supply order is the major or principal supply and other items are ancillary supplies, the bidder shall quote the GST Rate applicable to the principal goods (i.e., Item A) being supplied.
- e) In case of mixed supply, i.e., a combination of two or more individual goods made together for a single price (each of these items can be supplied separately and is not dependent on any other), the total supply will attract the GST rate of the item which has the highest rate of tax. For example, if Item A in the mixed supply attracts highest rate of tax, the bidder shall quote the GST rate applicable to item A for total mixed supply.
- f) In case of supplies which are neither composite nor mixed supplies, the bidder shall quote the GST Rate applicable to each item of supply separately.
- g) If there is any difference of opinion regarding classification in HSN code, the bidder shall sought clarification/raise query within the given time from the date of tender and it would be clarified before submitting the bid. Once clarified then that will be final & binding and no deviation shall be granted.

17. Tender Evaluation for determination of L-1 price: (Applicable for Indigenous /Domestic Bidders)

- a) If the tenderer/bidder does not include the details of GST separately in the tender/quotation, the same shall be rejected.
- b) The HSN code of the product/services shall be determined at the tendering stage itself and mentioned in the price bid format to quote the GST rate according to the specified HSN code.
- c) The evaluation of tender for three categories of GST registration is provided below:

Particulars	Registered	Compounding	Unregistered*
Quoted Price (incl. P&F, Insurance & Freight Charges)	xxx	xxx	xxx
Add: GST	X	-	X
Add: Cess on GST	xx	-	xx
Less Input Credit	X	-	X
Effective price	xxx +X+xx -X	xxx	xxx +X+xx -X

* If the bidder participating in the tender is unregistered, the GST shall be payable by the purchaser under reverse charge and shall be added to the quoted rate to arrive at the Gross price and input credit, if any shall be deducted from the total landed cost to arrive at the net comparable price.

18. Tender Evaluation for determination of L-1 price: (Applicable for Foreign Bidders)

- (i) The technical bids shall be opened in the first instance and these bids shall be scrutinised and evaluated by the competent committee/ authority with reference to the parameters prescribed in the tender document. Subsequently, in the second stage the financial bids of only technically acceptable offers as decided in first stage shall be opened for further scrutiny and evaluation. Intimation regarding opening of financial bids shall be given to acceptable tenderers to enable them to attend the financial bid opening, if they so desire.
- (ii) The method of evaluation of price bid for awarding the Contract shall be on overall L-1 basis only.

SECTION III – SPECIAL INSTRUCTIONS TO TENDERERS

(iii) The method of evaluation of bidder for awarding the Contract shall be taking into consideration of the total offered price for delivery up to DAP-BNPM, Mysore.

(iv) All responsive tenderers shall be evaluated as per the terms & conditions of the tender. The basis for arriving at the lowest responsive bidder shall be as per the price calculated for DAP, Mysore. However, the purchaser reserves the right to place order on the firm for FCA (Seller's airport)/FOB, Sellers Nearest Seaport.

(v) In case of Imported Offers, the tenderer will be required to quote on FOB Basis. For comparison, the DAP price shall be arrived and same shall be multiplied with the exchange rate between INR and quoted foreign currency, for the purpose of equitable comparison and evaluation, as per the BC selling exchange rate of SBI applicable, as on the date of opening of techno commercial bid. Custom duty as applicable will be added on the CIF price, thus converted into Indian Currency. On the CIF price, specified charges 1.5% of CIF price for port clearance and forwarding charges. Estimated average inland freight up to destination will be added to arrive at the total price as under:

DAP-Mysuru calculation to arrive at overall L-1 Price.

S. No.	Particulars
1	Overall FOB (Seller's Nearest Seaport) price quoted in price bid (Foreign Currency)
2	Freight & Insurance charges @ 1.5% from Seller's Nearest Seaport to Chennai Seaport
3	CIF price (S. No.1+S. No.2)
4	BC Selling exchange rate of SBI applicable on the date of techno-commercial bid opening

Unless otherwise mentioned in the Technical Specification and Quality Control Requirements and in SCC under Volume I, the supplier shall make separate packages for each consignee (in case there is more than one consignee mentioned in the contract) and mark each package on three sides with the following with indelible paint of proper quality:

- a) Contract number and date
- b) Brief description of goods including quantity
- c) Packing list reference number
- d) Country of origin of goods
- e) Consignee's name and full address and
- f) Supplier's name and address

9. Inspection and Quality Control

9.1 BNPM and/or its nominated representative(s) will, without any extra cost to BNPM, inspect and/or test the ordered goods and the related services to confirm their conformity to the contract specifications and other quality control details incorporated in the contract. BNPM shall inform the supplier in advance, in writing, BNPM's programme for such inspection and also the identity of the officials to be deputed for this purpose.

9.2 The Technical Specification and Quality Control Requirements incorporated in the contract shall specify what inspections and tests are to be carried out and, also, where and how they are to be conducted. If such inspections and tests are conducted in the premises of the supplier or its subcontractor(s), all reasonable facilities and assistance, including access to relevant drawings, design details and production data, shall be furnished by the supplier to BNPM's inspector at no charge to BNPM.

9.3 If during such inspections and tests the contracted goods fail to conform to the required specifications and standards, BNPM's inspector may reject them and the supplier shall either replace the rejected goods or make all alterations necessary to meet the specifications and standards, as required, free of cost to BNPM and resubmit the same to BNPM's inspector for conducting the inspections and tests again.

9.4 In-case of re-inspection because of rejection of goods at first scheduled inspection due to non-conformity of goods to specifications or for any other reason attributable to the supplier, costs of the inspector(s), from second inspection onwards, towards travel & boarding shall be to vendor's account.

9.5 In case the contract stipulates pre-despatch inspection of the ordered goods at suppliers premises, the supplier shall put up the goods for such inspection to BNPM's inspector well ahead of the contractual delivery period, so that BNPM's inspector is able to complete the inspection within the contractual delivery period.

9.6 If the supplier renders the goods to BNPM's inspector for inspection at the last moment without providing reasonable time to the inspector for completing the inspection within the contractual delivery period, the inspector may carry out the inspection and complete the formality beyond the contractual delivery period at the risk and expense of the supplier. The fact that the goods have been inspected after the contractual delivery period will not have the effect of keeping the contract alive and this will be without any prejudice to the legal rights and remedies available to BNPM under the terms & conditions of the contract.

9.7 BNPM's contractual right to inspect, test and, if necessary, reject the goods after the goods' arrival at the final destination shall have no bearing of the fact that the goods have

SECTION IV – GENERAL CONDITIONS OF CONTRACT

previously been inspected and cleared by BNPM's inspector during pre-despatch inspection mentioned above.

9.8 Goods accepted by BNPM and/or its inspector at initial inspection and in final inspection in terms of the contract shall in no way dilute BNPM's right to reject the same later, if found deficient in terms of the warranty clause of the contract, as incorporated under GCC Clause 16.

In case no instruction is provided in this regard in the specification, the supplier shall arrange transportation of the ordered goods as per its own procedure.

11.3 Shipping Arrangement for Foreign Contracts: In the case of FOB/FAS contracts, shipping arrangements shall be made by the Ministry of Shipping & Transport (Chartering Wing), New Delhi, INDIA, in accordance with details given in Volume I. The Contractor shall give adequate notice to the Forwarding Agents/Nominees about the readiness of the cargo from time to time and at least six weeks' notice in advance of the required position for finalising the shipping arrangements. In the case of C&F contracts, the Contractor shall arrange shipment in accordance with the requirements of the Ministry of Shipping & Transport, New Delhi, INDIA, indicated in the Volume I (as applicable).

12. Insurance

12.1 Unless otherwise instructed in the SCC, the supplier shall make arrangements for insuring the goods against loss or damage incidental to manufacture or acquisition, transportation, storage and delivery in the following manner:

12.2 In case of supply of domestic goods on CIF destination basis, the supplier shall be responsible till the entire stores contracted for arrives in good condition at the destination. The transit risk in this respect shall be covered by the Supplier by getting the stores duly insured. The insurance cover shall be obtained by the Supplier in its own name and not in the name of BNPM or its Consignee.

12.3 In the case of FOB and C&F offers for import of Goods, insurance shall be arranged by the Purchaser. However, the supplier must give sufficient notice to the Purchaser prior to the date of shipment, so that the Insurance Cover for the shipment can be activated. The Supplier must co-ordinate so as to ensure that the Shipment sails only with Insurance cover in place.

12.4 In case of Import of Goods, even in case where the insurance is paid by the Purchaser, and loss or damage shall be made good by the Contractor free of cost, without waiting for the settlement of insurance claim. The payment after settlement of insurance claim shall be reimbursed by the Purchaser to the Contractor. Contractor shall be entirely responsible to make good loss/damage without waiting for settlement of insurance claim so that machine is commissioned within the time specified in the contract.

13. Spare parts

13.1 If specified in the List of Requirements and in the resultant contract, the supplier shall supply any or all of the following materials, Information etc. pertaining to spare parts manufactured and/or supplied by the supplier:

a) The spare parts as selected by BNPM to be purchased from the supplier, subject to the condition that such purchase of the spare parts shall not relieve the supplier of any contractual obligation including warranty obligations; and

b) In case the production of the spare parts is discontinued:

ij) Sufficient advance notice shall be given to BNPM before such dis-continuation to provide adequate time to BNPM to purchase the required spare parts etc. &

ii) Immediately following such dis-continuation, the supplier shall provide BNPM designs, drawings, lay-outs & specifications of spare parts as required by BNPM free of cost.

13.2 Supplier shall carry sufficient inventories to assure ex-stock supply of consumable spares for the goods so that the same are supplied to BNPM promptly on receipt of order from BNPM.

14. Incidental services

14.1 Subject to the stipulation, if any, in the SCC under volume I and the Technical Specifications, the supplier shall be required to perform any or all of the following services.

a) Providing required jigs and tools for assembly, start-up and maintenance of the goods

b) Supplying required number of operation & maintenance manual for the goods

c) Installation and commissioning of the goods

d) Training of BNPM's operators for operating and maintaining the goods

e) Providing after sales service during the tenure of the contract

f) Providing maintenance service after expiry of the warranty period of the goods if so incorporated in the contract

14.2 Prices to be paid to the supplier by BNPM for any of the required incidental services, if not already included in the contract price during the placement of the contract, shall be settled and decided in advance by BNPM and the supplier. However, such prices shall not exceed the contemporary rates charged by the supplier to other customers for similar services.

15. Distribution of Despatch Documents for Clearance/ Receipt of Goods

15.1 The supplier shall send all the relevant despatch documents well in time to BNPM to enable BNPM to clear or receive (as the case may be) the goods in terms of the contract. Unless otherwise specified in the SCC, the usual documents involved and the practice to be followed in general for this purpose are as follows:

15.2 For Domestic Goods, including goods already imported by the supplier under its own arrangement Within 24 hours of despatch, the supplier shall notify BNPM, consignee, and others concerned if mentioned in the contract, the complete details of despatch and also supply the following documents to them by registered post/speed post (or as instructed in the contract):

k) Any other document specified.

22.8 While claiming reimbursement of duties, taxes etc. (like sales tax, excise duty, custom duty) from BNPM, as and if permitted under the contract, the supplier shall also certify that, in case it gets any refund out of such taxes and duties from the concerned authorities at a later date, it (the supplier) shall refund to BNPM, BNPM's share out of such refund received by the supplier. The supplier shall also refund the applicable amount to BNPM immediately on receiving the same from the concerned authorities.

22.9 In case where the supplier is not in a position to submit its bill for the balance payment for want of receipted copies of

SECTION IV – GENERAL CONDITIONS OF CONTRACT

Inspection Note from the consignee and the consignee has not complained about the non-receipt, shortage, or defects in the supplies made, balance amount will be paid by the paying authority without consignee's receipt certificate after three months from the date of the preceding part payment for the goods in question, subject to the following conditions:

- a) The supplier will make good any defect or deficiency that the consignee (s) may report within six months from the date of despatch of goods.
- b) Delay in supplies, if any, has been regularized.
- c) The contract price where it is subject to variation has been finalized.
- d) The supplier furnishes the following undertakings:

"I/ We, ----- certify that II We have not received back the Inspection Note duly receipted by the consignee or any communication from BNPM or the consignee about non-receipt, shortage or defects in the goods supplied. I/ We agree to make good any defect or deficiency that the consignee may report within three months from the date of receipt of this balance payment".

23. Delay in the supplier's performance

23.1 The time for and the date specified in the contract or as extended for the delivery of the stores shall be deemed to be the essence of the contract and the supplier shall deliver the goods and perform the services under the contract within the time schedule specified by BNPM in the List of Requirements and as incorporated in the contract.

23.2 Subject to the provision under GCC clause 28, any delay attributable to the supplier in maintaining its contractual obligations towards delivery of goods and performance of services shall render the supplier liable to any or all of the following sanctions besides any administrative action:

- a) Imposition of liquidated damages
- b) Forfeiture of its performance security and
- c) Termination of the contract for default.

23.3 If at any time during the currency of the contract, the supplier encounters conditions hindering timely delivery of the goods and performance of services, the supplier shall promptly inform BNPM in writing about the same and its likely duration and make a request to BNPM for extension of the delivery schedule accordingly. On receiving the supplier's communication, BNPM shall examine the situation as soon as possible and, at its discretion, may agree to extend the delivery schedule, with or without liquidated damages for completion of supplier's contractual obligations by issuing an amendment to the contract.

23.4 When the period of delivery is extended due to delay for reasons attributable to the supplier, the amendment letter extending the delivery period shall, inter alia contain the following conditions:

- a) BNPM shall recover from the supplier, under the provisions of the clause 24 of the General Conditions of Contract, liquidated damages on the goods and services, which the Supplier has failed to deliver within the delivery period stipulated in the contract.
- b) That no increase in price on account of any ground whatsoever, including any stipulation in the contract for increase in price on any other ground and, also including statutory increase in or fresh imposition of customs duty, excise duty, sales tax or on account of any other tax or duty which may be levied in respect of the goods and services specified in the contract, which takes place after the date of delivery stipulated in the contract shall be

admissible on the said goods and services delivered and performed after the date of the delivery stipulated in the contract.

- c) But nevertheless, BNPM shall be entitled to the benefit of any decrease in price on account of reduction in or remission of customs duty, excise duty, sales tax or any other duty or tax or levy or on account of any other grounds, which takes place after the expiry of the date of delivery stipulated in the contract.

23.5 The supplier shall not despatch the goods after expiry of the delivery period. The supplier is required to apply to BNPM for extension of delivery period and obtain the same before despatch. In case the supplier despatches the goods without obtaining an extension, it would be doing so at its own risk and no claim for payment for such supply and/or any other expense related to such supply shall lie against BNPM.

24. Liquidated damages

24.1 Subject to GCC clause 28, if the supplier fails to deliver any or all of the goods or fails to perform the services within the time frame(s) incorporated in the contract, BNPM shall, without prejudice to other rights and remedies available to BNPM under the contract, deduct from the contract price, as liquidated damages, a sum equivalent to the 0.5% (Half) percent (or any other percentage if prescribed in the SCC) of the delivered price of the delayed goods and/ or services for each week of delay or part thereof until actual delivery or performance, subject to a maximum deduction of the 10% (or any other percentage if prescribed in the SCC) of the delayed goods' or services' contract price(s). During the above mentioned delayed period of supply and/ or performance, the conditions incorporated under GCC sub-clause 23.4 above shall also apply.

24.2 Liquidated Damage for not meeting performance guarantee shall be assessed and recovered from the Supplier, if applicable. The quantum of Liquidated damages shall be as specified in SCC.

24.3 If the equipment/system while testing, in accordance with the performance requirement of the Contract, fails to meet those performance parameters, the damages suffered by the purchaser may not quantified in terms of money with any reasonable certainty. Therefore any Liquidated damage set forth in the Contract shall represent a reasonable determination of the amount of damage that the Purchaser will suffer, and shall not be considered as penalties. The Supplier thereby waives any defence to Purchaser's recovery of such Liquidated Damages on the plea that actual damages are ascertainable or that such Liquidated damages do not represent a reasonable determination of damages suffered by Purchaser or are penalties.

24.4 If the LD exceeds the specified limit, the Purchaser shall reserve the right to cancel/terminate the Contract as per clause 26 of GCC.

25. Custody and Return of BNPM Materials/ Equipment Documents loaned to Contractor

25.1 Whenever stores are required to be issued to the firm/contractor for fabrication or prototypes or sub-assemblies are issued for guidance in fabrication, these would be issued against appropriate Bank Guarantee as specified in SCC. In addition to the Bank Guarantee, appropriate insurance may be asked for if specified in the SCC.

25.2 In-case of failure of returning of all drawings and samples issued to the contractor in connection with the contract, besides withholding final payment, any other sanction, as deemed fit by BNPM, shall be issued against the supplier.

26. Termination for default

26.1 BNPM, without prejudice to any other contractual rights and remedies available to it (BNPM), may by written notice

SECTION IV – GENERAL CONDITIONS OF CONTRACT

of default sent to the supplier, terminate the contract in whole or in part, if the supplier fails to deliver any or all of the goods or fails to perform any other contractual obligation(s) within the time period specified in the contract, or within any extension thereof granted by BNPM pursuant to GCC sub-clauses 23.3 and 23.4.

26.2 In the event of BNPM terminates the contract in whole or in part, pursuant to GCC sub-clause 26.1 above, BNPM may procure goods and/ or services similar to those cancelled, with such terms and conditions and in such manner as it deems fit at the "Risk and Cost" of the supplier and the supplier shall be liable to BNPM for the extra expenditure, if any, incurred by BNPM for arranging such procurement.

26.3 Unless otherwise instructed by BNPM, the supplier shall continue to perform the contract to the extent not terminated.

27. Termination for insolvency

If the supplier becomes bankrupt or otherwise insolvent, BNPM reserves the right to terminate the contract at any time, by serving written notice to the supplier without any compensation, whatsoever, to the supplier, subject to further condition that such termination will not prejudice or affect the rights and remedies which have accrued and I or will accrue thereafter to BNPM.

28. Force Majeure

28.1 In the event of any unforeseen event directly interfering with the supply of stores arising during the currency of the contract, such as war, hostilities, acts of the public enemy, civil commotion, sabotage, fires, floods, explosions, epidemics, quarantine restrictions, strikes, lockouts, or acts of God, the Contractor shall, within a week from the commencement thereof, notify the same in writing to the Purchaser with reasonable evidence thereof. Unless otherwise directed by BNPM in writing, the supplier shall continue to perform its obligations under the contract as far as reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event. If the force majeure condition(s) mentioned above be in force for a period of 90 days or more at any time, either party shall have the option to terminate the contract on expiry of 90 days of commencement of such force majeure by giving 14 days' notice to the other party in writing. In case of such termination, no damages shall be claimed by either party against the other, save and except those which had occurred under any other clause of this contract prior to such termination.

28.2 Notwithstanding the provisions contained in GCC clauses 23, 24 and 26, the supplier shall not be liable for imposition of any such sanction so long the delay and/ or failure of the supplier in fulfilling its obligations under the contract is the result of an event of Force Majeure.

28.3 In case due to a Force Majeure event BNPM is unable to fulfil its contractual commitment and responsibility, BNPM will notify the supplier accordingly and subsequent actions taken on similar lines described in above sub-paragraphs.

29. Termination for convenience

29.1 BNPM reserves the right to terminate the contract, in whole or in part for its (BNPM's) convenience, by serving written notice on the supplier at any time during the currency of the contract. The notice shall specify that the termination is for the convenience of BNPM. The notice shall also indicate inter-alia, the extent to which the supplier's performance under the contract is terminated, and the date with effect from which such termination will become effective.

29.2 The goods and services which are complete and ready in terms of the contract for delivery and performance

within thirty days after the supplier's receipt of the notice of termination shall be accepted by BNPM following the contract terms, conditions and prices. For the remaining goods and services, BNPM may decide:

a) To get any portion of the balance completed and delivered at the contract terms, conditions and prices; and / or

b) To cancel the remaining portion of the goods and services and compensate the supplier by paying an agreed amount for the cost incurred by the supplier towards the remaining portion of the goods and services.

30. Governing language

30.1 The contract shall be written in English language following the provision as contained in GIT clause 2. All correspondence and other documents pertaining to the contract, which the parties exchange, shall also be written accordingly in that language.

31. Notices

31.1 Notice, if any, relating to the contract given by one party to the other, shall be sent in writing or by cable or telex or facsimile and confirmed in writing. The procedure will also provide the sender of the notice, the proof of receipt of the notice by the receiver. The addresses of the parties for exchanging such notices will be the addresses as incorporated in the contract.

31.2 The effective date of a notice shall be either the date when delivered to the recipient or the effective date specifically mentioned in the notice, whichever is later.

32. Code of Ethics

BNPM as well as Bidders, Suppliers, Contractors, and Consultants under BNPM contracts shall observe the highest standard of ethics during the procurement or execution of such contracts. In pursuit of this policy, for the purposes of this provision, the terms set forth below are defined as follows:

a) "Corrupt practice" means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence the action of a public official in the procurement process or in contract execution;

b) "Fraudulent practice" means a misrepresentation or omission of facts in order to influence a procurement process or the execution of a contract;

c) "Collusive practice" means a scheme or arrangement between two or more Bidders, with or without the knowledge of the Purchaser, designed to establish bid prices at artificial, non-competitive levels; and

d) "Coercive practice" means harming or threatening to harm, directly or indirectly, persons or their property, procurement process or affect the execution of a contract.

e) A particular violation of ethics may span more than one of above mentioned unethical practices.

32.1 The following policies will be adopted in order to maintain the standards of ethics during procurement:

a) A proposal for award will be rejected if it is determined that the Bidder recommended for award has, directly or through an agent, engaged in corrupt, fraudulent, collusive or coercive practices in competing for the Contract in question.

b) A contract will be cancelled if it is determined at any time that BNPM representatives/officials have directly or indirectly, engaged in corrupt, fraudulent collusive or coercive practices during the procurement or the execution of that contract.

SECTION IV – GENERAL CONDITIONS OF CONTRACT

c) In case any individual staff is found responsible, suitable disciplinary proceedings should be initiated against such staff under the applicable conduct rules. The existing provisions under the Indian law including the instructions of Central Vigilance Commission should be followed in this regard.

d) Firms or individuals shall be banned/ blacklisted after following due process, including declaring them ineligible, either indefinitely or for a stated period of time, to be awarded a BNPM contract, if it at any time determines that they have, directly or through an agent, engaged in corrupt, fraudulent, collusive or coercive practices in competing for, or in executing, a BNPM contract.

33. Resolution of disputes

33.1 If dispute or difference of any kind shall arise between BNPM and the supplier in connection with or relating to the contract, the parties shall make every effort to resolve the same amicably by mutual consultations. If the parties fail to resolve their dispute or difference by such mutual consultation within twenty one days of its occurrence, then, unless otherwise provided in the SCC, either BNPM or the supplier may seek recourse to settlement of disputes through arbitration as per The Arbitration and conciliation Act 1996 as per following clause.

33.2 Arbitration Clause: - Any dispute or difference whatsoever arising between the Parties out of or relating to the construction, meaning, scope operation or effect of this Agreement or the validity or the breach thereof shall be settled by arbitration in accordance with the Arbitration and Conciliation Act, 1996 and under the Rules of Arbitration of the Indian Council of Arbitration and the award made in pursuance thereof shall be binding on the Parties. The Arbitral Tribunal shall consist of three Arbitrators. The venue of the Arbitration shall be Bangalore and it shall be conducted in English language.

34. Applicable Law

34.1 The contract shall be interpreted in accordance with the laws of India.

34.2 Irrespective of the place of delivery, or the place of performance or the place of Payments under the contract, the contract shall be deemed to have been made at the place from which the notification of acceptance of the tender has been issued.

34.3 The courts of the place from where the notification of acceptance has been issued- shall alone have jurisdiction to decide any dispute arising out or in respect of the contract.

35. Secrecy

SECTION VII – TECHNICAL SPECIFICATIONS

1. Extent of Scope of supply and services

i) The scope of services for the package could be categorised as follows:

- a) Design Scope
- b) Supply scope
- c) Erection Scope
- d) Commisising Scope
- e) Performance Guarantee-Scope
- f) On-site training of Purchaser's Operating and Maintenance personnel

ii) The responsibility for the design, system layout and engineering for the entire disintegration system from Pre - Crusher (Shredding Process), Granulator and transportation of material from Pre-Crusher (Shredding Process) to Granulator and from Granulator to Briquetting system, Ducting system and System control shall be in the scope of the bidder.

iii) The responsibility for design of the complete system starting from Pre-Crusher (Shredding Process), Granulator and transportation of material from Pre-Crusher to Granulator and from Granulator to Briquetting system, Ducting system and System control etc. complete in all respect shall be in bidder's scope.

iv) The complete layout for the complete disintegration system for waste paper including sub-system and auxiliary equipment will be in the scope of bidder.

v) All equipment, pumps, motors, fans storage system etc. shall be considered for the layout purpose.

vi) The layout shall be done in such a way that all the systems/equipment in the process plant configuration shall be suitably and optimally accommodated in the available mill site space, without compromising on maintenance, service & access requirements and aesthetic considerations.

vii) Bidder may survey the available space for designing the layout.

2. Supply

i) The scope of supply starts with the equipment/system for the sheet feeding to Pre-Crusher and extends upto storage of briquettes covering the entire process of Pre-Crusher, Granulation, Briquetting system, including necessary transportation, Ducting, System control and Other auxiliary systems. The battery limits and the exclusions are detailed in Clause no. 3 & 4.

ii) Equipment / System that are in the scope of supply shall be optimally dimensioned/configured to arrive at cost effective solutions, while meeting the quality and quantity objectives.

iii) Broadly, the composite project scope for the package would include the following sections/system

SECTION VII – TECHNICAL SPECIFICATIONS

1. Disintegration System shall consist the following

- a) Sheet feeder.
- b) Pre-Crusher (Shredding Process)
- c) Collecting system of paper strips for pulping (Broke Pulp). Adequate number of collection bins shall be provided for initial use.
- d) Transportation of strips which includes the security thread to the Granulator
- e) Granulator system including Knives
- d) Transportation of shred to Briquetting system

2. Briquetting Systems

- a) Storage Hopper
- b) Self- cleaning filters
- c) Adequate nos. of briquetting presses
- d) Ducting
- e) Briquettes disposal system (Collection at designated point)
- f) Dust extraction system

3. System Control

- a) Control Panel with Automatic Operation facility
- b) HMI system
- c) Trouble shooting with remote diagnostic
- d) Print report generation
- e) Printer

4. Essential Spares

- a) These are the spares required for regular operation of the disintegration system. The vendor shall provide all essential spares (critical spares) for all systems/equipment supplied by the vendor along with a list. Spares knives (two sets) shall be included in the spares.
- b) The cost of the commissioning spares shall be the part of main supply and shall be considered for the price bid evaluation.

5. Commissioning Spares

- a) The commissioning spares are the spares that could be required till successful commissioning and completion of performance trial. The vendor shall provide all commissioning spares as felt necessary for all the systems/equipments supplied by the vendor along with the list.
- b) The cost of the commissioning spares shall be the part of main supply and shall be considered for the price bid evaluation. The cost of spares for the individual sections shall be included in respective sections.

SECTION VII – TECHNICAL SPECIFICATIONS

6. Recommended / Maintenance Spares:

- a) The vendor shall provide a detailed list of all recommended / maintenance spares (mechanical, hydraulic/pneumatic, electrical, electronic, & instruments). Indication slow moving and fast moving type for trouble free operation of the plant for a minimum period of 02 Years.
- b) The list shall cover the spares for all the items covered under the scope of supply, including plant & machinery, hydraulic/pneumatic subsystem, components, System control, PCB etc.
- c) For all the bought items, the vendor shall provide the specifications for purchase with contact details.
- d) The cost of the recommended / maintenance spares shall be the part of main supply and shall be considered for the price bid evaluation.

7. Maintenance Tools & Tackles:

- a) All special tools and tackles required for maintenance shall be in the bidder's scope.
- b) The cost of the maintenance tools & tackles shall be the part of main supply and shall be considered for the price bid evaluation.

3. Continued Support

- a) Bidder shall guarantee continued support for supply of all spare parts required for maintenance of the system supplied under the scope of this tender for normal operation for a period of 10 years from the date of completion of warranty period. A certificate to this effect shall be submitted by the bidder along with the bid document and the same shall be evaluated.
- b) Successful bidder shall provide the maintenance support for atleast 10 years after completion of warranty period on need basis. The charges shall be mutually agreed for such support.

4. Erection

- a) Erection/installation of all equipment, plant & machinery, piping, ducting, cabling, field instruments etc. within the battery limits are within the scope of vendor.
- b) The vendor shall deploy the required number of personnel/specialists from respective functional areas to carry out the complete erection activities. Vendor shall allow Purchaser's personnel to be part of erection team and shall provide guidance wherever necessary.

system is considered as having reached the operational status when all the erection activities are completed in all respects and the mechanical functionality has been tested (Dry test).

- f) The lump sum charges for the erection & supervision activities shall be quoted for complete scope of erection based on deployment schedule, for the total erection period. The lump sum charges shall also include erection & supervision including GST
- g) Purchaser reserves the right to evaluate the deployment schedule / chart proposed by the bidder and to suggest suitable modifications, if required.

5. Commissioning scope

- a) After the completion of all the erection activities (Mechanical / Instrumentation & Automation / Electrical etc.) and the completion of the mechanical functionality checking, the start-up activities (pre-commissioning) would commence.
- b) Start-up activities shall be integrated, covering all the process systems / mechanical systems, including hydraulic & pneumatic / instrumentation & automation systems / electrical systems in this package.
- c) Bidder shall provide start-up management for the complete paper equipment supplied under the contract.
- d) Trial runs (wet trials) with checking of all control schemes / control logics and functional / operational requirements, setting of control variables, fine-tuning of operational parameters etc. are to be completed during the start-up phase. All the process systems / equipment / electrical systems / instrumentation & automation systems in the equipment will be made functional to the normal operating conditions at the completion of the start-up phase.
- e) Purchaser shall provide the raw material, etc., for carrying out the commissioning activities, as per the requirements furnished by the bidder.
- f) All the operating & maintenance manuals, specific operational & maintenance instructions, guidance, preventive maintenance schedules for weekly, monthly, yearly maintenance, predictive maintenance with trouble shooting etc, shall be supplied well in advance for putting a particular unit into operation.
- g) As built drawings for all the engineering deliverables shall be provided by the VENDOR.

6. Performance Guarantee

1. Performance Test Run Conditions

- a) Bidder shall guarantee and demonstrate the performance of the equipment supplied under the contract at a date not later than **3 months** from the date of commissioning. Purchaser & Bidder shall mutually agree upon the exact time for the test runs.
- b) The VENDOR shall conduct a pre-test run (optimization run), if required, prior to the actual test run to suitably adjust / fine tune the operating parameters for the successful conduct of the test runs.

		distribution will be under the scope of supply of Bidder. Bidder shall confirm the requirement
b)	Compressed Air	The necessary equipment for Compressed air, if required, shall be in Bidder's scope.
3.	Rejects (Briquettes)	The successful bidder shall provide adequate no. of collection bin for initial use. Further procurement shall be in Purchaser's scope. The specifications shall be furnished by the bidder (high solid content) wherever required. Bidder shall provide reject handling system till the portable collection bin. Handling of collection bin shall be in Purchaser's scope.
4.	Electrical Power supply	415V, 3Phase, 50Hz power supply shall be made available by Purchaser upto the MCC. PURCHASER. Complete Electrical Distribution system including MCC for all process equipment/ systems supplied shall be in bidder's scope. Power factor correction upto 0.95, if required, shall be in the bidder's scope.

9. Exclusions

Summary of exclusions to the scope of the bidder are as indicated below. These are general in nature and for information only. The details shall be applicable as per the provisions of respective clause.

- a) Oil & Lubricants except initial/first fill
- b) Unloading at site, placing at a storage area, shifting of goods from storage to place of erection, unpacking of packing cases and removal of packing material from the place of erection.
- c) Bidder to specify any other requirement not covered under the scope mentioned above which are required as per his offered equipment/system for the efficient & smooth operation of paper plant, during the pre-bid meeting with proper justification.

10. Scope of Work (Complete System):

i) Design, Engineering, Manufacturing, Supply, Erection and Commissioning, Performance/Acceptance test and onsite training of Fully automated, Integrated Bank note Waste Paper Disintegration System consisting of Shredder, Granulator and Briquetting machines along with spares and tools with all interconnecting conveyors, storage bins (10 nos.), piping, fittings, ducts, accessories, electrical, instrument and automations components with various security and safety provisions and shall include transportation, loading and unloading up to BNPM site.

ii) The system shall include all electricals like electrical control panel with necessary protections, instrumentation, required software, printer, etc

A) Material to be processed		
1.	Type of Waste:	<p>Biodegradable Bank note paper made of Cotton and having strips of Non-Biodegradable Polyester Security Thread (width approx. 5-6 mm and thickness 30 micron) in</p> <ul style="list-style-type: none"> • Folded form 1.5 m x 1.5 m x 150 mm thickness. • Compressed bale form of above size. • Loose crumpled sheets.

SECTION VII – TECHNICAL SPECIFICATIONS

2.	Paper Size:	1.5 m x 1.5 m x 150 mm thickness.
----	-------------	-----------------------------------

B) Disintegration System		
1.	Shredding Process:	<ul style="list-style-type: none"> Cutting the waste paper as described at (A) above in to strips compatible to be fed in the granulator. Automatic transfer system to transfer these strips to granulator.
2.	Granulator with a capacity of min. 350 Kg/Hr	<ul style="list-style-type: none"> The granulator should be of the high-speed rotating knife mill type, equipped with screen of suitable mesh size ensuring that no shredded piece is larger than 10 mm. Shredded/Granulated material shall be automatically transported to Briquetting machine The rotor of the granulator shall be statically and dynamically balanced and the system when operated under full load shall have minimum vibration and a noise level of less than 80 dB at one meter distance or to meet statutory requirement, whichever is better. Necessary acoustic enclosure may be provided.
3.	Shred Size:	<ul style="list-style-type: none"> Shred size may be maximum of 10 mm.
4.	Feeding of Waste:	<ul style="list-style-type: none"> Suitable conveyor for feeding the waste paper from floor level to shredder mouth. (Pre-Crushed) Suitable magnetic system at feeder conveyor to prevent metal objects being carried to the shredder along with paper.
5.	Secure & Closed System	<ul style="list-style-type: none"> The disintegration process shall be within a fully enclosed and secured environment which prevents access to the material after shredding.
6.	Transport of material between shredding and granulation.	<ul style="list-style-type: none"> Whole topside with security glass for visual inspection and control while preventing sabotage during operation. A small opening (lockable) may be provided at the conveyor. Material shall not remain in the feeding system after finishing the disintegration operation. Proper scraping device to be provided to prevent shreds from jamming the conveyor.
7.	Knives	<ul style="list-style-type: none"> The knives provided in the destruction system (shredder and granulator) shall withstand the rigor of continuous impact and shear action and give long life and performance efficiency. MOC of Guillotine knives shall be Tungsten Carbide/ material suitable for our operation. The vendor shall specify the number of operating hours after which the knives provided by them shall need sharpening. Life of knives shall not be less than 3000 tons of processing of Bank note waste paper. The system shall be designed to facilitate easy removal and re-fixing of the knives whenever required and to keep the down time to a minimum. Vendor shall visit the premises to examine and confirm the suitability of existing grinding machine for re-sharpening.

SECTION VII – TECHNICAL SPECIFICATIONS

		<ul style="list-style-type: none"> The bidder shall indicate the working hours for a complete knives-change (shredder + granulator).
8.	Overload Protection	<ul style="list-style-type: none"> The system shall be fully automatic and shall be regulated so that there is no overload at any point of time
9.	Full Load Restart	<ul style="list-style-type: none"> Provision shall be made to prevent jamming of material while in operation. Provision shall also be made for releasing the unit in case of jamming. The system shall be so designed that the machine can restart after a power failure without any need for removing any material.
10.	Continuous operation	<ul style="list-style-type: none"> The system shall be designed for continuous operation.

C) Briquetting System:

1.	The Briquetting System with a capacity of min. 350kg/hr, which shall consist of the following components	<p>The briquetting unit shall consist of:</p> <ul style="list-style-type: none"> Ductwork Storage hopper Integrated self-cleaning air filter Briquetting press. Air compressor unit with suitable air receiver and filters Flat trolleys (4 Nos.) of min. 100 kg capacity for collection of briquettes or big-bags
2.	Purpose of the system	<ul style="list-style-type: none"> Collecting and briquetting of shreds produced by the disintegration system
3.	Location of the system	<ul style="list-style-type: none"> The briquetting system will be installed and adjacent to the destruction system. The discharge point shall be at ground level outside the building, which is approximately 7m lower than the machine floor. Horizontal distance is approximately 6 m.
4.	Capacity for storage hopper for shreds	<ul style="list-style-type: none"> Minimum of 1.5 m³ (or 150 kg)
5.	Precautions to prevent blockage of shreds inside storage hopper	<ul style="list-style-type: none"> The storage hopper shall be equipped with a stirring mechanism that actively mixes the collected shreds preventing blockage of shreds inside the hopper.
6.	Level control of shred inside the storage hopper	<ul style="list-style-type: none"> The storage hopper shall be equipped with level sensors for automatic start and stop of the briquetting press and assuring the system stops automatically whenever the hopper is empty. Furthermore a sensor shall be installed to prevent overload of the hopper (max. filling height)
7.	Briquetting capacity and briquette quality	<ul style="list-style-type: none"> Upon installation, the briquetting system shall have an installed capacity that at least matches the disintegration capacity (min. 350 Kgs/hr). Briquettes shall have density of around 500kg/m³ Diameter of the briquette is 80-100 mm (preferable)
8.	Number of briquetting presses	<ul style="list-style-type: none"> To be decided by the bidder

SECTION VII – TECHNICAL SPECIFICATIONS

9.	Type of briquetting press	<ul style="list-style-type: none"> The briquetting press(es) shall be hydraulically driven, compressing the shreds into high-density briquettes. This process is to be done with pressure only, no additives are to be used. The briquetting press(es) shall be designed and manufactured by the bidder specifically for the briquetting of shreds of banknote paper material. The special design of the briquetting press(es) shall guarantee low maintenance effort and continuous operation. The cooling system if any, shall be oil/air cooled type.
10.	Hydraulic unit for briquetting unit	<ul style="list-style-type: none"> The press(es) shall have a separate hydraulic unit for each press that shall be equipped with sound reducing enclosure for reducing the noise level below 80dBA or to meet statutory requirement. Technical details shall be provided by the bidder.
11.	Continuous operation	<ul style="list-style-type: none"> The briquetting system shall be designed for continuous operation.
12.	Briquette discharge	<ul style="list-style-type: none"> The briquettes shall be transported from the presses to the collectors by means of a closed duct preventing spillage of shreds or dust.
13.	Briquette collection	<ul style="list-style-type: none"> Collection of briquettes shall made in bags, which shall be kept on ground at approximately 7m lower than the machine floor. Horizontal distance is approximately 6 m. The briquetting system shall be equipped with automatic stop of the press(es) in case the briquette collector(s) is/are full and not replaced in time.
14.	Air filter system	<ul style="list-style-type: none"> The briquetting system shall be equipped with fully integrated (no separate unit) self-cleaning air filter containing multiple filter bags
15.	Automatic self-cleaning of air filter	<ul style="list-style-type: none"> The self-cleaning process of the filter shall operate fully automatic and on the basis of compressed air. Mechanical filter cleaning by means of “shaking/vibration” will not be accepted.
16.	Dust level exhaust air	<ul style="list-style-type: none"> The dust level of the exhaust air after cleaning shall be less than 0.2 mg/m³ or to meet statutory requirement, whichever is better.
17.	Dust extraction system	<ul style="list-style-type: none"> The briquetting system shall be equipped with a dust extraction system. Such system extracts and recycles any dust which is being emitted during the briquetting operation and collection of the briquettes.

D) Ductwork and Transport Fan:

1.	Ductwork	<ul style="list-style-type: none"> All ductwork consists of galvanised piping with smooth inner surface, connected with hermetic closing and easy removable sealed pull rings, which are electrically interconnected with conducting seal rings to release static electricity. Installation of the ductwork from the disintegration system to the briquetting system shall be part of the scope of supply and in bidder's scope.
----	----------	--

SECTION VII – TECHNICAL SPECIFICATIONS

		<ul style="list-style-type: none"> BNPM shall undertake civil activities required, if any.
2.	Transport Fan	<ul style="list-style-type: none"> The system shall be provided with an electrically operated suction fan inside an enclosed sound reducing cabin with sound level below 80dBA and suitable ducting with electrostatic release for transporting the shredded pieces by air to the briquetting unit.

E) System Control:

1.	Electric Control Panel	<p>The electric control panel shall be easy to operate via a touch-screen and should have the following controls and indications:</p> <ul style="list-style-type: none"> Push button(s) to start and stop the shredding/granulator/briquetting process Emergency switches with protection caps to switch off the panel in case of emergency Touch-screen based display system (HMI) for the status of the machines, to record the start and stop time of the system, to record and display the faults and stoppages of the system. Service switches to test and run individual motors independently. Flashlights and an audio alarm to alert the operator of any fault in the system.
2.	Operator log-in	<ul style="list-style-type: none"> The system shall be equipped with an operator log-in
3.	Output of production data	<p>Production data from the briquetting system shall be made available via:</p> <ul style="list-style-type: none"> Touch-screen Printed reports

F) Electrical & Instrumentation:

1.	Power Supply	<ul style="list-style-type: none"> BNPM will provide 415 V, 50 Hz, 3 phase, 4 wire power supply at incomer of bidder's Main electrical distribution panel. From that panel, it is the scope of bidder to distribute the supply to all panels with respect to the supplied equipment. Bidder shall provide suitable power measurement arrangement in Electric control panel and display electrical parameters like current, voltage, frequency power factor, harmonics, kWh.
2.	Instrument Air	<ul style="list-style-type: none"> BNPM will provide single point supply for instrument air, if required. Bidder shall make necessary arrangement for tapping from supply point including valve boxes and piping.
3.	Protection	<ul style="list-style-type: none"> Bidder shall provide suitable motor protection for drives including overload, short circuit and earth fault protection as required.
4.	Cabling	<ul style="list-style-type: none"> Bidder shall carry out necessary cabling to his equipment from Electric control panel using suitable sized cables.

SECTION VII – TECHNICAL SPECIFICATIONS

		<ul style="list-style-type: none"> Cable termination shall be carried out by suitable sized nickel-plated double compression glands.
5.	Earthing	<ul style="list-style-type: none"> Bidder shall connect electric control panel to nearest earth point. Bidder shall carry out necessary further earthing to his equipment using suitable Cu earthing cables/ wires.
6.	Communications	<ul style="list-style-type: none"> Bidder shall provide necessary communication ports for remote diagnostics/ trouble-shooting through Ethernet, local engineering changes through serial port communication. BNPM will provide necessary end connectivity as and when required.
7.	Control system hardware & software	<ul style="list-style-type: none"> The system shall be PLC based control system with necessary field instruments and I/O system as required by process philosophy. The access control shall be password protected with hierarchy levels for operation and maintenance. PLC & HMI should be of M/s Siemens make. Bidder shall provide necessary Licensed Engineering software with final site accepted editable back-up program with all necessary access for future changes/trouble shoot by BNPM.

G) Troubleshooting & Remote Diagnostics:

1.	Fault analysis	<ul style="list-style-type: none"> Easy via touch-screen, user manual, print-outs and remote diagnostics (see G2.)
2.	Remote diagnostics	<ul style="list-style-type: none"> The system shall be equipped with an Ethernet port for connection to Internet enabling remote diagnostics via a secure VPN connection.

H) Safety & Security:

1.	Mode of operation	<ul style="list-style-type: none"> Fully automatic.
2.	Fully closed system	<ul style="list-style-type: none"> The design of the complete system shall prevent any unauthorised access to the inside of the system and prevent dust emission.
3.	Auto controlled stop of the system on faults	<ul style="list-style-type: none"> The system shall be able to perform an auto controlled stop in the event of a fault.
4.	Restart after power failure	<ul style="list-style-type: none"> The system shall be able to restart under full load conditions. Opening and emptying of the shredder and granulator before restarting is not accepted.
5.	Alarms	<ul style="list-style-type: none"> The system shall be equipped with an audio-visual alarms.

I) Reporting:

1.	Printing facilities	<ul style="list-style-type: none"> Laser jet printer shall be included in the scope of work for printing minimum A4 size reports.
2.	Briquetting report	<p>A briquetting report should provide the following information:</p> <ul style="list-style-type: none"> Daily production (kg) Process time (hrs, min)

SECTION VII – TECHNICAL SPECIFICATIONS

		<ul style="list-style-type: none"> Capacity (kg/h)

J) Service & Maintenance:

1.	Service and maintenance	<p>The bidder shall extend a service and maintenance support as and when required with the help of</p> <ul style="list-style-type: none"> Highly skilled technical staff Local helpdesk Spare parts stock
2.	Maintenance Requirement Planning	<ul style="list-style-type: none"> The bidder shall present as part of his proposal a “Maintenance Requirement Planning” for a period of 5 years from date of start up including cost estimate on the basis of a destruction volume of 6 tons / day
3.	Spare parts	<ul style="list-style-type: none"> Mechanical Spare parts for two years and set of knives (3 sets each) for shredder and granulator to be included in the scope of supply. E&I consumable spares for two years of trouble free operation.

K) References:

1.	References of similar briquetting systems	<ul style="list-style-type: none"> The bidder shall present a detailed reference list showing at least 01 similar system installed in the past five (05) years for the purpose of destruction of currency or currency paper.
----	---	---

L) Other Requirements:

1.	Noise Level	<ul style="list-style-type: none"> Max. noise level of both the disintegration and the briquetting unit, while in full operation shall be below 80dBA, measured according to DIN 45.635 at one (1) meter distance or to meet statutory requirement, whichever is better.
2.	Level of vibration	<ul style="list-style-type: none"> The system shall be isolated from the floor with vibration isolators in order to reduce any form of vibration transmitted to the floor.
3.	Power supply of system	<ul style="list-style-type: none"> 3-phase 415 V (+/- 5%), 50 Hz
4.	Back-Up Fuse	<ul style="list-style-type: none"> To be advised by the bidder
5.	Power Consumption	<ul style="list-style-type: none"> The bidder shall indicate the total rated peak power consumption of the system while in operation. The bidder shall indicate specific energy consumption equipment wise.
6.	Instrument air consumption	<ul style="list-style-type: none"> The bidder shall indicate the quantity of instrument air consumption.
7.	System layout	<ul style="list-style-type: none"> On the basis of suitable building drawings provided by the BNPM the Bidder shall, as part of its Offer, provide a detailed and dimensioned layout drawing showing the proposed system.
8.	Pre-shipment inspection	<ul style="list-style-type: none"> Pre-shipment inspection shall be carried out by BNPM officials. Travel, Lodging and boarding costs shall be borne by the BNPM.

SECTION VII – TECHNICAL SPECIFICATIONS

		All other necessary requirements have to be arranged by the bidder.
9.	Site Visit	<ul style="list-style-type: none">• It is advised that the interested bidder shall visit the site to understand the requirement. During the visit, the bidder shall examine the available space, facilities etc. at the site. Bidder may submit the bid after site visit.• Based on the site visit and understanding BNPM requirement, the vendor shall specify the area requirement and load data capacity requirement of civil flooring for the equipment to be supplied.
10.	Manuals	<p>The following manuals (03 sets) need to be provided in original hard copies & soft copies:</p> <ul style="list-style-type: none">• Operation and Maintenance manual• Spare parts manual• Electrical diagrams and Maintenance• Assembly drawing• Any other
11.	Technical Offer	<ul style="list-style-type: none">• Bidder shall submit technical offer for Fully Automatic, Disintegration System for Waste Bank Note Paper as per the technical specifications provided in the tender.

SECTION IX – QUALIFICATION/ ELIGIBILITY CRITERIA

Category	Eligibility Criteria	Documents required in support of eligibility criteria
Experience & Past Performance	a) Bidders should be bonafide, experienced, competent and resourceful to carry out the assigned order.	Company's registration / Certificate of incorporation/Partnership Deed/Any other registration certificate as applicable
	b) Bidder should have successfully Designed, Supplied, Installed & commissioned atleast 01 no. of Disintegration System integrated with Briquetting unit during the last 05 years ending 30.06.2019.	
	<p>i) Domestic bidders are exempted from experience and past performance. However they should be technically capable and competent for manufacturing the tendered Disintegration System as per the specification mentioned in tender Section-VII.</p> <p>ii) Domestic bidder shall have the required manufacturing facility to manufacture tendered Disintegration System as on tender publishing date i.e. 10.07.2019. Domestic Bidder shall submit all the manufacturing details available at their works which ascertain that the bidder is capable of manufacturing the tendered Disintegration system. If required, BNPM officials may visit the facility of the Domestic Bidder for ascertaining the capability.</p>	<p>Copy of Purchase order/ Work order / Agreement And Work completion certificate.</p>
Financial Standings	a) Average annual turnover of the bidder firm during last three financial year's period ending 31.03.2019 should be more than Rs. 1,20,00,000/-(Rupees One Crore Twenty lakhs only) (Domestic Bidders are exempted from Turnover requirements under "Make in India" scheme)	<p>Audited balance sheet and profit & loss statement for FY 2018-19**/2018, 2017-18/2017 and 2016-17/2016</p> <p>Financial Year for Domestic Bidder is April – March (i.e. 2018-19, 2017-18 & 2016-17) whereas Financial year for Foreign Bidder shall be January-December (2018, 2017 & 2016)</p>
	b) Bidder firm should not have suffered any financial loss for more than one year during the last three financial year's period ending 31.03.2019.	** Provisional Balance Sheet & Profit/Loss statement to be submitted (if not audited).
	c) Net worth of the bidder firm should not be in negative and should have not eroded* by more than 30% in the last three financial year's period ending 31.03.2019.	* Erosion shall be considered only on account of reported loss in the statement of P&L account, which has led to reduction in capital.

SECTION IX – QUALIFICATION / ELIGIBILITY CRITERIA

		Relaxation in financials if required shall be provided as per DIPP Order ref: P-45021/2/2017-PP (BE-II) Dtd: 28.05.2018 to Domestic Manufacturers for Financial Turnover only.
General	Bidder should have valid GST registration certificate (Exempted in case of Foreign Bidder)	Copy of GST certificate
	Bidder should have valid PAN card. (Exempted in case of Foreign Bidder)	Copy of PAN card
	Bidder should have not been blacklisted / debarred by BRBNMPL/ SPMCIL/ BNPMIPL/ Government of India.	Declaration as per Annexure –A on company's letter head duly Signed & with company seal to be submitted

Bidder to furnish stipulated documents is support of fulfillment of qualifying criteria. Non-submission or incomplete submission of documents may lead to rejection of offer.

All experience, past performance and capacity/ capability related/ data should be certified by the authorised signatory of the bidder firm. The credentials regarding experience and past performance to the extent required as per eligibility criteria submitted by bidder may be verified from the parties for whom work has been done.

We confirm that, we are competent and legally authorized to submit the tender and / or to enter into legally binding contract.

We (Name of the company) have submitted the required documents in support of the eligibility criteria mentioned above.
