Dear Colleagues,

At the outset, my greetings to all of you on the occasion of 15th Foundation Day of Bank Note Paper Mill India Private Limited.

BNPM has been successful in manufacturing and delivering of Quality product with highest productivity and meeting the entire Demand of India Specific Bank Note Paper over the years since its inception.

RBI has projected around 30 billion Banknote requirement covering all the denominations for the financial year 2024-25. It is a very challenging task for BNPM to meet the requirements of all the domestic Banknote printworks. We are confident of achieving these goals easily and comfortably.

I feel proud to say that, BNPM has achieved one more milestone bench mark of having produced close to 1500 MT of salable CWBN in the month of Aug 2024, which is the ever-highest production achieved in any single month so far.

BNPM has the young and talented workforce and the team has acquired expertise in the domain of Bank Note Paper Manufacturing and its operations.

We at BNPM have put in place lot of process improvements, implemented various cost reduction and energy saving measures. We have also taken up many activities for maintaining consistent process parameters and product quality through different Statistical Process Control techniques and methods.

We are working on continual basis towards technological up gradations, innovations, and automations, which ensures the ease of operations.

To encourage and motivate the employees for their dedicated services and contributions, BNPM has promoted all the eligible and deserving employees at all levels/ grades either through the Time Bound Promotion and or Vacancy Based Promotions.

We at BNPM have very good and conducive working environment, good work culture and good harmony at work place.

I feel proud, great and very much privileged to associate with you as Managing Director and more as one among BNPM family.

Once again, my good wishes to all of you and your families on this memorable day.
