

## **MD's Message on the occasion of 12<sup>th</sup> Foundation Day**

**My Dear Colleagues,**

**Today 13<sup>th</sup> October 2021, is a memorable day for Bank Note Paper Mill. It is our 12<sup>th</sup> Foundation day. It is matter of great pride that we have passed another milestone.**

**It feels like yesterday we started our journey in 2010 with just 8 members. Today we are 348. With 2 lines of special purpose machines, BNPM has almost reached at the top in the world map of manufacturing currency paper. This is the outcome of inspirations, strong determination, collective efforts, and contributions of each one of you. I believe that our qualitative and innovative approach for making incremental improvements continuously, has been driving us more. I sincerely express my gratitude to all those who have contributed to the success of this Company.**

**As we navigate our future with so many challenges like Covid-19, we need to be more watchful and innovative, by keeping in mind the changing scenario like digitisation of money, to sustain in the business.**

**I thank each one of you for being part of our Company's success and greatly appreciate & value your hard work. I look forward to see all great things you accomplish in the coming years.**

**"Happy Foundation Day".**

**My warmest greetings to you and your family on this memorable occasion**
